About El Dorado Musical Theatre

El Dorado Musical Theatre (EDMT) is a 501c3 non-profit youth theater company committed to providing excellent musical theater training for performers ages 6 through 20, with high-quality performances for families and the entire community. EDMT realizes the value and importance of artistic expression and social interaction. Our guiding principles include casting all youth who audition (space allowing); producing shows to the highest professional standards; and providing a positive environment in which young people can learn teamwork, develop communication skills, and build confidence for life. Our programs give children and teens an opportunity to grow artistically while working with experts in all aspects of theater production.

EDMT has earned 189 Elly Nominations and 42 Awards since 2003 from the Sacramento Area Regional Theatre Alliance (SARTA)—more than any other community theater in the region. *This year, we are very proud to have won the top award for Best Overall Production for the fifth consecutive year.* EDMT has also been honored by the El Dorado Forum for Distinguished Service in Arts and Culture and voted Best Afterschool Activity by readers of the Folsom and El Dorado Hills Telegraph newspapers. EDMT was voted onto the KCRA Channel 3 "A-List" in the "Best Theater" category and has consistently stayed in the top rankings. These and many other awards give recognition to the value of EDMT to our community.

Ad Materials Specifications

Dear Advertiser: The playbill in which your advertisement will appear is a high-quality, full color printed booklet. Because we want your ad to appear at its best, only high-quality advertising materials can be accepted, as specified below. If you are unable to provide artwork in the proper format, we would be happy to help you create your ad.

General: Ads should be to-size. If not to exact size, they can not be smaller than the ad size purchased and must be able to be resized to fit the smaller space of the actual ad purchased PROPORTIONALLY.

Digital Art: HIGH RESOLUTION(!) JPEG digital files are the easiest and most universally compatible files with which to work. Generally, these are easy to create. Do make sure that you save any ad file as HIGH RESOLUTION, as anything which is produced for viewing on a website IS UNACCEPTABLE because it is not of sufficient quality for printing. Finished materials will be 300 dpi resolution. Please provide files in print-ready format, CYMK, not RGB.

Unacceptable: MS Word, Excel, Publisher, or other Windows-only platform application documents UNLESS CONVERTED TO A HIGH RESOLUTION JPEG FILE. 72 dpi resolution files will not be accepted.

For experienced graphics applications users only: The playbill is created on a Macintosh platform using Adobe CS4 applications InDesign, Illustrator, and Photoshop. Please include any/all supporting files and fonts with your ad. No spot colors will be supported. All files should be at least 300 dpi.

Other: Please inquire if you have art in a different format, or if you need assistance in creating an ad. We are happy to help you create your ad. Any other reflective art for any ad size will be scanned at high resolution.

If OFFSET PRINTED material is supplied for scanning (such as a formerly published, printed ad), some loss in detail and resolution will result! This is particularly true for printed photos. If possible, supply original photo or digital file for optimum quality. Please let your representative know if you need any of your supplied materials returned to you.

Business Card Ads: If possible, please provide original digital art for your business card ad. If not available, please provide THREE clean business cards suitable for high-resolution scanning. If you need slight changes (such as a phone number), please indicate those changes on a separate card.

Please submit this form for every ad placement and attach materials (unless being e-mailed).
